Course Description

Step into the whimsical world of 'Magical Woolly Mammoth Sculpting', where creativity meets delightful eccentricity! In this unique fiber arts class, guided by the illustrious Professor Woolly Mammoth, students at the School of Dandori will delve into the playful art of needle felting to create their very own woolly mammoth sculptures. Held amidst the stunning landscapes of Northumberland, this class offers a playful yet educational experience perfect for adults seeking to expand their creative horizons. Over the course of the session, students will learn the basics of needle felting, exploring various wool types and their unique properties. Through hands-on instruction, you'll discover professional techniques for shaping wool into lifelike forms, focusing on the iconic woolly mammoth. With Professor Woolly Mammoth's expert guidance, you'll master the art of adding expressive details and textures to your sculptures. Beyond just crafting, the class offers insights into the historical significance of wool in art, highlighting its enduring legacy in traditional textile crafts. Armed with colourful wool, felting needles, and mammoth-shaped templates, every participant will not just create art but also nourish their soul with joy and creative expression. Come join us for a session where imagination takes shape and woolly wonders come alive!
